 For: **POLYMERIC PRODRUGS OF AMINO- AND
HYDROXYL-CONTAINING BIOACTIVE
AGENTS**

INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner
for Patents
Washington, D.C. 20231

January 7, 1999

Sir:

Pursuant to M.P.E.P. §609 and 37 C.F.R. §§1.56, 1.97-1.99, Applicants herewith a PTO 1449 Form along with the cited reference. Applicants also submit herewith a copy of the Information Disclosure Statement and PTO-1449 documents filed March 10, 1998 and a Supplemental Information Disclosure Statement filed March 25, 1998 corresponding to the parent application USSN 08/992,435. Copies of the references made part of the file history of parent application have not been included at this time. At the request of the Examiner, additional copies will be furnished. /

This submission does not represent that a search has been made or that no better art exists. While the term "references" is used in citing the U.S. patents called to the Examiner's attention herein, Applicants do not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

Applicants reserve the right to contend, where appropriate, that a patent asserted against any claim of the present application is not prior art under the facts and the law.

Applicants also reserve the right to present appropriate arguments and/or evidence to establish patentability over the references, should one or more of the references be applied against the claims of the present application.

Applicants request that the Examiner independently determine those items which the Examiner would consider the most pertinent of all the references cited herein.

This Information Disclosure Statement is filed before the mailing date of a first Office Action on the merits. Accordingly, this document complies with the requirements of 37 C.F.R. §1.97(b). No fee is due under 37 C.F.R. §1.17(p). Alternatively, if it is determined that any fee is due or any overpayment has been made, the Commissioner is hereby authorized to charge or credit such sum to Deposit Account No. 50-0217. A duplicate of this letter is enclosed. It is respectfully requested that the references cited be considered and made of record.

Respectfully submitted,

ROBERTS & MERCANTI, L.L.P.

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner
For Patents
Washington, D.C. 20231

March 12, 1999

Sir:

Enclosed herewith is a PTO-1449 form along with the two cited references to be called to the Examiner's attention. A copy of each reference is included herewith.

This submission does not represent that a search has been made or that no better art exists. While the term "references" is used in citing the U.S. Patent called to the Examiner's attention herein, Applicants do not make any admission that it is a "prior art" reference within the meaning of the statutory and case law.

Applicants reserve the right to contend, where appropriate, that a patent asserted against any claim of the present application is not prior art under the facts and the law.

Applicants also reserve the right to present appropriate arguments and/or evidence to establish patentability over the references, should one or more of the references be applied against the claims of the present application.

Applicants request that the Examiner independently determine those items which the Examiner would consider the most pertinent of all the references cited herein.

I hereby certify that this correspondence and/or
fee is being deposited with the United States
Postal Service as first class mail in an envelope
addressed to "Assistant Commissioner for Patents",
Washington, D.C. 20231" on March 12, 1999.

An office action on the merits has not been received to date. Therefore, no fee is believed due under 37 C.F.R. §1.17(p). However, if the Assistant Commissioner determines that any fee is due or any overpayment has been made for this application, he is authorized to charge or credit such sum to Deposit Account No. 50-0217. A duplicate copy of this sheet is enclosed.

It is respectfully requested that these references be considered and made of record.

Respectfully submitted,

This submission does not represent that a search has been made or that no better art exists. While the term "references" is used in citing the U.S. patents called to the Examiner's attention herein, Applicants do not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

Applicants reserve the right to contend, where appropriate, that a patent asserted against any claim of the present application is not prior art under the facts and the law.

Applicants also reserve the right to present appropriate arguments and/or evidence to establish patentability over the references, should one or more of the references be applied against the claims of the present application.

Applicants request that the Examiner independently determine those items which the Examiner would consider the most pertinent of all the references cited herein.

This Information Disclosure Statement is filed within three (3) months of the filing date of this application and before the mailing date of the first Office Action on the merits. Accordingly, this document complies with the requirements of 37 C.F.R. Section 1.97(b). It is respectfully requested that the references cited in the accompanying PTO-1449 Forms be considered and made of record.

No fee is believed to be due. Any deficiency or overpayment concerning this document should be charged or credited to Deposit Account No. 50-0217.

Respectfully submitted,

ROBERTS & MERCANTI, L.L.P.
